Subject: A communication (for the academic session 2022-23) of the Feedback received from various stakeholders of the Rabindra Mahavidyalaya, Champadanga, Hooghly along with feedback analysis and action taken report.

As stated in the above noted subject the undersigned is hereby intimating you that our college has collected the **Feedback** through MCQ questionnaire based on the curricular aspect, academic ambience, available infrastructural facilities etc. from Students, Teachers, Alumni and Employers. Internal Quality Assurance Cell (IQAC) of this college has **analyzed** the received data through Pie charts for better understanding of the satisfaction level of the stakeholders and their demand for the specific needs(if any).

Based on the analysis report IQAC has also taken appropriate **actions** by recommending college Governing Body for sanctioning sufficient funds to full fill the demands raised by the various stakeholders. The institution encouraged the students to join the job-oriented training programmes organised especially by the Placement Cell. Many awareness programmes on Mental Health have been arranged. Many such career-guidance and soft/life skills development programmes have been conducted. The different cells of the college organized a few community-oriented programmes. The computer laboratory has been renovated and re-located and a Smart Class cum Auditorium has newly been set up for ICT-enabled teaching-learning. The institution encourages the students to join more in the curricular as well as co-curricular activities organised by other colleges and universities for their achievements both in the academic and cultural fields.

I hereby request your good office to extend your additional suggestions in this context for betterment of the teaching-learning, evaluation and all round progress of this college.

You are further requested to acknowledge the receipt of this communication.

Thanking you,

Yours sincerely,

Dr. Prasanta Bhattacharyya
