Action Taken Report of IQAC

Session 2022-2023

1. The College continued online teaching to compensate the deficit in classes during lockdown period. In this session, blending mode of teaching and learning was encouraged by the college authority.
2. Several Equipment's were purchased to provide ICT enabled teaching and learning processes. Computers, printers, photocopiers and projectors were purchases from the College's own fund to facilitate digital learning process, to implement e-governance and equipped the official works with modern facilities.
3. Laboratory equipment's were purchased to develop each and every laboratory-based department.
4. Library books and library, equipment's and accessories were also provided by the College during the session. Library software was introduced to upgrade its services.
5. The Departmental Heads meets with the Academic sub-committee regarding preparation required under New Education Policy 2020.
6. Furniture and fixtures were repaired and several new purchased for enhancing the departments of the College.
7. Placement cell took initiatives throughout the year and there are immense possibilities of several students to get placed in private sector organization as the appointments are in process.
8. The Departments, Cells and sub-committees organized several seminars relating to social issues, environmental issues and mental health related problems of the students.
9. Several MOUs were signed for future benefits of the Institution.
10. The College took special initiatives to conduct NAAC Cycle 3 and NIRF accreditation process and accordingly, the workload was disseminated amongst the staff.
