### **Our Mission**

Vimuktasya Vimuchyate

### **Our Vision**

Making an Enlightened Informed and Confident Local Community

## HISTORY OF THE COLLEGE

---

Champadanga, an affluent village of Tarakeswar block in the Hooghly district, is a very famous hub of good trade and commerce. Old Benaras Road (Auhalyabai Road) passes through Champadanga. It is about 20 km east of Arambag and 8 kilometres west of Tarakeswar. The place is well-connected to Kolkata and Howrah through bus routes and railways.

From very early on, Champadanga had a steady economy based on the opulent vegetation of the area. But sadly, for the local people, they missed out on higher educational opportunities. Fortunately, it was in 1961 on the memorable birth-centenary of Rabindranath Tagore that a group of social workers, businessmen and educationists of the locality decided to set up a Degree College with a dream of bringing higher education to the doors of the locals. For this purpose, they formed a Preparatory Committee with the following members - Prasad Chandra Mandal (President), Nityananda Adhikari (Secretary up to 04.11.1971), Prof. Amarendranath Adak (Secretary on and from 05.11.1971), Nandalal Dutta, Panchkari Pal, Prankrishna Mondal, Baidyanath Dutta, Sukdeb Dutta, Amiya Kumar Gupta, Ajit Kumar Maji, Sk. Anwar Ali Middy, Santimohan Roy, Ramsingha Pal, Ramen Maitra, Lalitmohan Hazra, Sk. B.J.Naskar, Sk. Goni Middy and Kashinath Mondal.

From then on, it took a few years to select a suitable place for erecting the college building. At that time, Late Netai Charan Hazra and his wife Late Phelubala Hazra jointly donated a princely sum of ₹ 20,000 along with a plot of 307 'Sataks' of land by the east side of the Old Benaras Road, about 1.5 km away from the Champadanga bus stop. A great number of local persons from different strata of the society also came forward with their invaluable donations and timely help. A two-story building on the northern side of the big pond of the donated area was built under the supervision of the Preparatory Committee. Finally, our college 'Rabindra Mahavidyalaya', affiliated to the University of Burdwan officially started its journey on and from 8<sup>th</sup> November, 1971. We heartily remember all those founding fathers, social workers, educationists, businessmen and a host of well-intended persons for their honest contributions in setting up this college and fulfilling their vision of making an enlightened, informed and confident local community a reality.

Initially, only eight students were admitted to the Pre-University course and twenty-five students to the B.Com Pass course. The official status of the institution was that of an undertaking college and the teacher and the non-teaching staff did not get their salary from the Government. Only in lieu of a 'pocket allowance', they were shouldering the great task of running the new-born college with utmost sincerity.

Then it was in the academic session of 1972-73 that the B.A. course in the Pre-University and Degree level started. In the decade of the 80's of the preceding century, a steady inflow of funds in the form of various monetary aids granted to this institution either by the State government or by the University Grants Commission or by similar such agencies, made it possible for a fast-paced development of the different wings of the institution. Only after four decades since its inception, the college now has a pretty long list of assets to its credit, viz. five big buildings, two new buildings (under construction), a fairly spacious Library with a reading room, a beautiful playground, separate courts for playing volleyball, basketball and badminton, cycle-sheds, multi-gym, a potable water system and so on. The lush green backdrop and a big pond in the middle with thickly foliated shady trees along its embankment truly evoke the bygone charms of a pastoral setting.

The dream has become a reality. It has now a student population of nearly four thousand and they are offered quite a remarkable list of 16 Honours and 18 General subjects to choose from. They are also provided with other academic facilities like Learning Resource Centre, Computerized Library Facility, Career Counselling Cell, Smart Digital Classroom, etc. for their benefit. As a result, in the arena of higher education of the district, the students of Rabindra Mahavidyalaya, mostly hailing from the local peasant community, are able to make glorious marks at various levels of University examinations and other competitive tests and put their Alma Mater very high on the scale of excellence. This is also borne out by the fact of achieving the grade of B<sup>++</sup> as part of the re-accreditation recently undergone in the institution and carried out by the national academic bench marker, National Assessment and Accreditation Council (NAAC).

## VISION

---

“Making an enlightened, informed and confident local community” is the vision of our college which truly enshrines a collective aspiration of an essentially rural populace that once dreamt of education as a viable means of social progress. Tagore had his vision of a cosmopolitan brotherhood based on a steady exchange of educational means and cultural values between India and the rest of the world and it materialized in the birth of Visva Bharati. Our small college with all its myriad aspects of rural backwardness in a way truly follows in the path of Rabindranath. As an agency of higher education, it brings in the blessings of advancement and the benefits of enlightenment so that the people that live in and around Champadanga may gain into confidence and may try to be at par with other, more advanced sections of the society, traditionally known and respected for their greater quantum of achievement.

## MISSION

---

The mission of this college is succinctly expressed in the Sanskrit adage of “Vimuktasya vimuchyate” that originally occurred in ‘Vishnun Sahasranam’. This pertains to the highest attribute of a ‘liberated man’: a liberated soul can attain to a state of perfection through a continual exercise of his or her sense of liberty. ‘Jnan’ or ‘Knowledge’ is the only means by which this rare quality of freedom may be gained. A past wisdom thus recombined with the present task of knowledge-gathering and dissemination may make our mission a truly unique and an appropriate one bringing us ever closer to the vision.

## **OBJECTIVES**

---

- To work for the advancement of learning by optimizing the use of available teaching aids and gadgets.
- To take cognizance of the needs and demands of students as well as the society they belong to.
- To take the institution to greater heights of eminence and excellence by continually setting still better academic goals and achievements.
- To help the students find a niche in the professional world by making them employment-worthy and hopeful for the future.
- To inculcate values of logic, rationality and a scientific temperament as a way of reaching the institutional goal.

## **Identity Card**

Students are required to collect their identity cards duly signed by the authority of the college. Students must keep identity cards with them within the college premises.

## **Journal/Newsletter**

The students' magazine "Charoibeti" and academic journal "Pathikrit" containing articles/essays by teachers on different subjects and book reviews are brought out from time to time for academic enrichment of the teachers, staff and the students.

## **Educational Excursion**

Students of this college can avail this opportunity once in a year. Tours for Geography, History and Bio-Science Departments are organized as a part of their curriculum. Requisite fees as decided by the departments must be deposited at the time of excursion. Students must submit their field record and collected specimen (if required by the departments) with proper field data.

## **Campus Facilities**

---

### **Library & Information Service:**

The Central Library of the College is very rich in terms of collections. It has more than 36718 books (July, 2023), many e-journals and e-books through INFLIBNET N-LIST Programme, 2 printed journals, 8 magazines, 10 newspapers and useful documents on varied subjects pertaining to the streams of Arts, Science and Commerce. Some of the departments have their Seminar Libraries. There are separate reading spaces for students and teachers in the Central Library. Presently, the library system is automated using Integrated Library Management System, named KOHA Library Automation Software (Version 23.11.03.000).

### **Services and Facilities of the Library include:**

1. Computerized lending and borrowing of books using Barcode.
2. Study Corner with magazines and newspapers
3. Counselling Corner to look for guidance from the teachers by students.
4. Web-OPAC for accessing the bibliographical information of books beyond the campus 24x7.
5. Opportunity for going through syllabus modules and set of University question papers of current & previous years.
6. Open Access facility is provided to the students of the college to encourage them to use the library.
7. Opportunity for taking books against deposit money till the end of University Examination by the students.
8. Institutional membership with the British Council Library, renewable at every year availing 30 books and magazines, movie DVD (max 10) for a period of 21 days.
9. Opportunity of e-resource through INFLIBNET N-LIST programme.
10. Opportunity of lending and borrowing of books for ex -students/staff.
11. Book Bank facility for meritorious and poor students.
12. College Central library provides the Wi-Fi facilities for users.
13. Opportunity for photocopying relevant papers with permissions from the library authority, not exceeding the existing daily limit.

## **Virtual Classroom**

With generous financial aid from the Government of West Bengal, we have upgraded our educational technology by introducing Smart Class. This new, state-of-the-art technology of simulation would enable the teachers to do away with the traditional blackboard, and in its place, use any part of the classroom walls as a virtual writing board. It would allow the teacher greater width and power to manoeuvre.

## **Laboratories**

The College has got state-of-the-art laboratories with all modern equipment deemed necessary in the teaching learning process. There are six laboratory-based departments in the institution – Botany, Chemistry, Geography, Microbiology, Physics and Zoology.

## **Multi-Gymnasium Centre**

There is a 16-station Multi-Gymnasium Centre in the college. Students & employees of the college may use the centre on paying prescribed fees.

## **CELLS and CLUB**

---

### **Placement Cell**

The college has a Placement Cell with a Placement Officer. When various agencies (Government and non-Government) inform our college about recruitment for services, training, apprenticeship etc., the Placement Cell properly notifies and guides the students about the matter.

### **Grievance Redressal Cell**

The main objectives and functions of the Cell in this college are hereunder:

1. Upholding the dignity of the college by ensuring strife free atmosphere in the college through promoting cordial student-student relationship, student-teacher relationship, student- non teaching staff relationship and teacher-non teaching staff relationship; and
2. Encouraging the students to express their grievances/problems freely and frankly.

The function of the cell is to look into the complaints lodged by the by any student and judge its merit. The grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the staff of the concerned department in person, or with consultation with the convener of this cell. In case, the person is unwilling to appear in self, grievances may be dropped in writing at the letter box/suggestion of the Grievance Redressal cell.

## **Women Cell**

The Women Cell in the institution is set up recently to create awareness about gender equality, with a focus on women empowerment. The cell will also look into the matter and related issues of gender discrimination that often proves to be a bane in our social system. The cell regularly arranges for counselling of girl students so that issues of concern, both social and individual, may be effectively addressed on a case-to-case basis. Separate complaint box, exclusively meant for girls, is placed by the cell so that the aggrieved/affected party may reach out for help at her own convenience. To complement the system further, Helpline numbers are widely circulated among the girl students by the members of the cell.

## **Nature's Club**

Nature's club mainly works with a view to promote protection of nature and environment, encourages environment friendly behaviour and conducts awareness programmes. Students having nature and environment friendly intent may join the club when new membership is taken. Apart from this, students are also motivated in nature related activities through their ENVIS course curriculum. The club takes care of the medicinal garden within the college and conservation of plants within the college campus.

## **STUDENTS' SUPPORT**

---

### **Students' Council**

Students' Council is a democratic forum of the students. Students are to come for leadership through election held every year. Students' Council plays a vital role in the smooth functioning of the college administration through its democratic right of representation in the Governing Body of the college. There are eight departmental secretaries including the General Secretary. Students' Council organizes events and functions like Annual Cultural Competition, Cultural Functions, Freshers' Welcome, Annual Sports and Athletics Meet, indoor & outdoor games etc. The Council is expected to look after and protect students' interest, create healthy academic atmosphere, inculcate sense of duties among the students and promote their accountability to the society.

### **Canteen Service**

The college has a canteen within the campus which remains open during the college hours. The canteen provides hygienic food for the students and staff at affordable prices.

### **Health Check-up Unit**

There is a health check-up unit in the college situated in the 1<sup>st</sup> floor of the Science Building. Primary health check-ups including weight and blood pressure monitoring can be done here under the care of a practicing homoeopath. Some basic medicines, ORS, Dettol and bandage are provided for the students. Arrangements for first-aid are also there for treating someone meeting with an accident.

## **CONCESSION, STIPEND AND SCHOLARSHIP**

---

### **Stipend for SC/ST/PH candidates**

Students belonging to SC/ST and PH categories are entitled to get stipend as and when available from the Government. They are requested to collect the application forms from the college office and should submit the filled-up forms, counter-signed by the Teacher-in-Charge, to the Block Development Office, generally within two months from the commencement of classes. Differently abled students are also asked to contact the Block Development Office for their stipend immediately after the commencement of their classes.

### **Scholarships**

Girl students can avail Kanyashree Scholarship. Minorities are offered scholarships specially meant for them. The institution notifies about scholarships offered by different private agencies when such information is available.

### **Travel Concessions**

Railway Travel Concession is available for out station students intending to commute from other railway stations to Tarakeswar. For those who travel by bus, arrangements for concession have been made through college for Bus Route No.16 and 20. For other Bus Routes, concession cards have to be obtained by the students themselves.

## **EXTRA CURRICULAR ACTIVITIES**

---

### **National Cadet Corps (NCC) & National Service Scheme (NSS)**

After the independence of India in 1947, NCC was introduced by the Central Government. Our college opted for NCC Programme for our boys in the senior division of the Army Wing. Girl Cadets are also included in our NCC Company. The Education Commission (1964-66) headed by Dr. D.S. Kothari recommended that students at all stages of education be associated with some form of social service. After several debates and discussions, the Union Education Minister in 1969, with the support of University Grants Commission, launched the programme of NSS in the colleges.

Our college has arranged for NSS and NCC programmes. There are three units of NSS with three hundred students and one company of NCC. Students should join either NSS or NCC. But, in no case, they will be allowed to join both the programmes.

## Cultural Activities

Under the guidance of the Teachers, Students' Union organizes Freshers' Welcome Programme, Annual Social Programme, Annual Sports, Cultural Competitions and other cultural programmes.

## Games & Sports

The College offers extensive sports facilities to the students. Outdoor games include Football, Cricket, Athletics, Volleyball, Badminton, Basketball, Archery and Handball. Indoor games include Table Tennis, Carom and Gymnastics. There is a Multi-gymnasium in our campus for the use of the students.
